PARKER FOR PRESIDENT.

St. Louis, July 9, 6 a. m.—Nominating speeches continued till after 5 o'clock this morning when balloting began amid intense excitement. Parker was nominated at 6 o'clock this morning on the first ballot and a scene of wild enthusiasm followed. Nominations for Vice-President will be made when the convention reassembles this afternoon.

St. Louis, July 8.—At 3 o'clock this morning the convention was still in session listening to the nominating and seconding speeches, which were interrupted by the usual demonstrative scenes. The following were put in nomination: Parker, Hearst, Olney, Miles, Cockrell, Gray and Wall. The platform, which was adopted without debate, ignores the money question.

Golf Handicappers Not Bamboozled

The article in the Advertiser Wednesday morning on the Fourth of July golf handicap at Haleiwa, which stated that C. N. Lindsay Watson, the winner, was given an excessive handicap, through mistaken identity, is wholly erroneous, according to statements made by the handicapping committee. The handicapping committee understood perfectly whom they were handicapping. There was talk of protesting against C. N. Lindsay Watson being awarded first prize, but all members of the handicapping committee refused to consider the protest, because Mr. Watson won as fairly as previous winners in golf at Haleiwa or any of those winning second, third or fourth prizes on July 4.

The handicapping committee was composed of Messrs. F. J. Church, A. Mahaulu and W. W. Thayer. Each of these men not only positively refused to entertain the protest but have pressed themselves as regretting the misunderstanding and the consequent unsportsmanlike action.
